## JUNGLE LODGES

February 2016  
Newsletter Vol. 04

Dear Friends,  
We have had an eventful last couple of months.  
After the unfortunate incident at the Jabalpur Airport and the subsequent cancellation of all flights, we are thrilled to announce the resumption of services from the 1st of February. Infact although SpiceJet does not operate on Mondays anymore, the timings of arrivals and departures have been changed to our benefit.  
After many months of delivery delays we are pleased to inform you that we have finally received our new jeeps for the park safaris.  
Another interesting development in Bandhavgarh has been the relocation of village Milli in the Dhamokar buffer zone which has resulted in increased animal movement around our lodge.  
We would also like to take this opportunity to thank all our wildlife guest for their continued support at both our lodges at Kanha and Bandhavgarh.
